

SAUNDERS COMPLETES ACQUISITION OF AUTOMATION IT

Thursday, 15 June 2023

Saunders International Limited (ASX: SND) (“Saunders” or “the Group”) today confirmed that the acquisition of Automation IT, announced on 9 May 2023, is now complete.

Automation IT is a specialist automation and control systems engineering business operating in the energy, water, defence, and mining industries.

The acquisition will accelerate Saunders’ market expansion into Industrial Automation and Control Systems and expand the organisation’s geographical footprint in Queensland and Western Australia.

Completion of the acquisition follows the satisfaction of conditions precedent and other completion requirements. These requirements included change of control consents.

For further information about Automation IT and its operations, please refer to a presentation delivered to significant investors and lodged on the ASX platform on 29 May 2023.

About Saunders International Limited
