About Saunders International Limited

Saunders International Limited (ASX: SND) is a multidisciplinary Australian company that provides engineering, construction and industrial asset services across the complete asset lifecycle. Established in 1951 and listed on the Australian Securities Exchange since 2007, Saunders specialises in bulk liquid storage and transfer, structural, mechanical and piping (SMP), industrial automation and electrical, civil infrastructure and industrial asset services.

Serving clients in Defence & Government, Energy, Water, Resources and Industrials sectors, Saunders partners with some of the world's largest energy companies, leading contractors and all levels of government. The company operates as 'OneTeam' with its clients, focusing on delivering tailored solutions in a fast-evolving environment through collaborative efforts.

With a team of over 500 employees and eight offices across Australia and operations in Papua New Guinea and New Zealand, Saunders is well-positioned to meet diverse client needs while upholding high standards of quality and safety.
